Re: *Hess v. Bed, Bath & Beyond, Inc.*, Case No. 21-cv-4099(AT)(RWL)

Dear Judge Lehrburger:

I represent the Plaintiffs. Today is the day for submission of Plaintiff's motion to amend the complaint. The parties are discussing the potential for a consolidated briefing schedule as the issues in both the motion to amend and motion to dismiss may overlap. The parties therefore request a two week extension of the briefing schedule for Plaintiff's anticipated motion to amend.

Respectfully submitted,

*Steven J. Moser*
